

SPECIALTY CLEANERS

Stainless Steel Cleaner & Polish, Free & Clear Water-Based

This reliable and effective water-based formula cleans, polishes and protects stainless steel surfaces without leaving streaks, hazing or oily residues. Protects against water spots and fingerprints. Formulated to perform without harsh fumes. Excellent on other metal surfaces such as aluminum, brass, chrome, copper, zinc, silver and mild steel. The readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients, and is free of dyes; greywater and septic safe.

Graffiti Remover, Free & Clear

Removes unwanted graffiti: effectively removes paint, ink, permanent marker, crayon and adhesive from hard surfaces. Can penetrate and remove graffiti from porous surfaces such as brick, stone or concrete. When cleaning plastic, laminate and painted surfaces, dilute at a 1:2 ratio (or spray on cloth) and test for the correct strength. Increase strength as needed. Readily biodegradable formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Free & Clear.
