SCA's solution to napkin over-consumption "Tork Advanced RollNap". By allowing patrons to take only one napkin at a time, the RollNap napkin dispensing system reduces consumption. This results in a substantial reduction in your overall napkin cost. RollNap is ideal for usage at condiment stations and countertops in restaurants, cafeterias, convenience stores, theaters, sports stadiums, parks or any other high-traffic venue.

RollNap's hygienic "pull and tear" system allows customers to touch only the napkins they use.
