FASTPAD APPLICATION

Erasable note pad for tape measures

APPLICATIONS

Fastpad is a reusable notepad for use on your tape measure, on your phone and in your car, etc. Designed to fit most standard 16' to 25' tape measures, Fastpad gives the user an erasable notepad on the side of the tape measure. The durable smooth PVC provides a writing surface which is easily marked with a pencil. To erase your notations, simply wipe the surface with your finger and it's ready to use again.

COLORS

Fastpad is only available in durable smooth white PVC.
