P1 APPLICATION

Finishing caps for plumbing

Product shown here at actual size.

APPLICATIONS

A new method of trimming the cutouts for standard 1/2" supply lines (see also P2 and P3 caps) and 1-1/2" waste lines, Fastcap provides a simple, yet effective solution with our new 1/2" Supply Line Covers and 1-1/2" Waste Line Covers. Covering rough or misaligned cut outs with Fastcap's simple peel-and-stick application is quick and easy.

COLORS

Available in all of Fastcap's standard PVC and real wood colors, the 1/2" Supply Line Covers and 1-1/2" Waste Line Covers can be color matched to the installation. Custom colors are also available.
