

Important: Assemble your Sumo Strap!

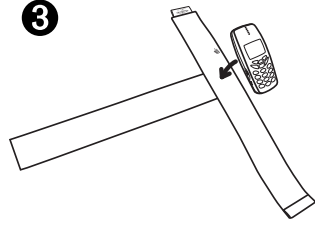

How to disassemble the Sumo Strap

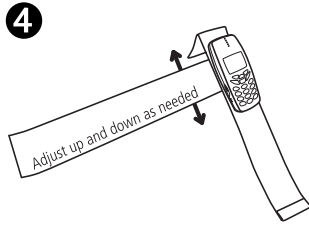

Untuck

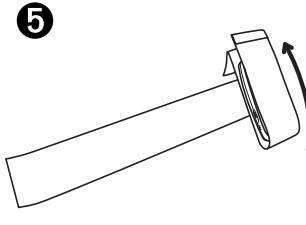

Unwrap

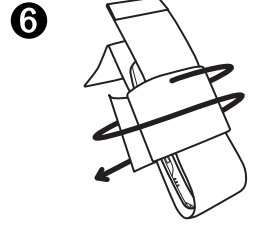

Place device

Adjust

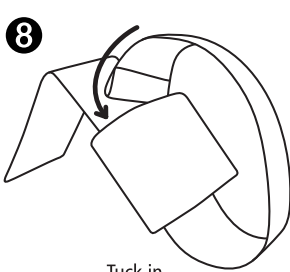

Fold up

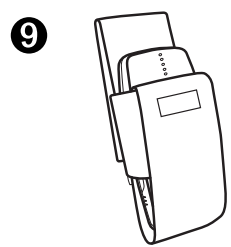

Wrap horizontal strap

Remove device and vertical strap

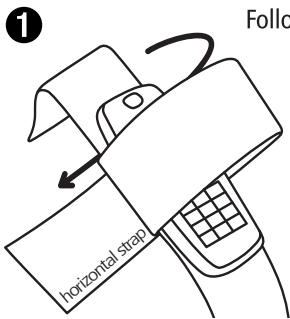

Tuck in

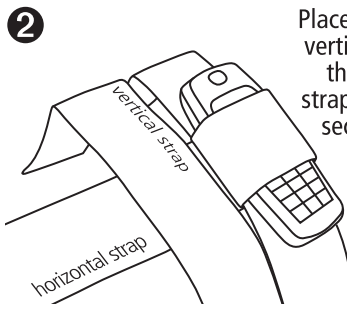

Replace device. Done!

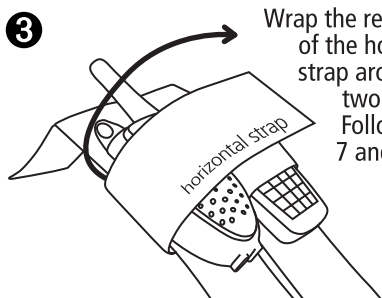

Hook two straps together!

Follow step 1 through 5, then wrap the horizontal strap around your device once.

Place the second vertical strap on the horizontal strap. Place your second device.

Wrap the remainder of the horizontal strap around the two devices. Follow steps 7 and 8 from above.

Your Sumo Straps are ready to hang from your belt or your pants!
