

OtoClip™

Prevent the loss of expensive hearing instruments

- ITE OtoClip Monaural
- ITE OtoClip II Binaural
- ITE OtoClip for Eyeglasses

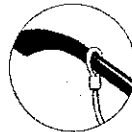

Westone
Made in Mexico

Attach the clasp to the eyelet on the hearing instrument.

Repeat the above process if you have hearing instruments for both ears.

For eyeglasses, attach the clasp to the eyelet on the hearing instrument, and loop the other end over the eyeglass temple.
