

SWB-451

SAND BAG ANCHOR WITH STEEL HANDLE

SPECIFICATIONS

Ideal where in-ground anchoring devices are not appropriate. Saddle-bag design rests over the rear frame to provide necessary counterweight. Vinyl bags are filled in the field with 50 lbs. of dry sand. (SWB-451) is designed with a steel carry handle.

Sold individually or in set of four bags (SWB-454).

May come in different colors
