**VBWR-1 SPECIFICATION SHEET**

This unit shall be manufactured from 7 GA steel, bent formed sheet metal. Velcro straps shall be inserted inside the sheet metal to wrap around uprights holding them snugly against the wall. Formed sheet metal edges are lined with 3/16" thick vinyl plastic to protect upright paint finish. Unit comes fully assembled with a durable black powder coat finish. Wall mounting hardware not included – Required mounting hardware is dependent on the type of wall being mounted to.

This unit is uniquely designed to hold uprights of varying diameter from 2-3/8" OD to 4" OD.
