

INNOVATORS IN BRUSH TECHNOLOGY

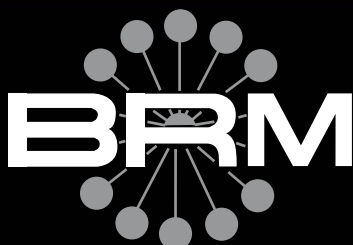

NEED HELP CLEANING HARD TO REACH PLACES?

Twisted Wire Tube Brushes - Series 84

NOW AVAILABLE IN 6 PIECE KITS!

Available In Various Size Ranges and Materials
Stainless Steel, Carbon Steel, Brass, Nylon and Natural Bristle

**BRUSH RESEARCH
MANUFACTURING**

Brush Research Manufacturing is now offering twisted wire 6 piece tube brush kits. These kits are designed for internal bore, tubing, drilled holes and cylindrical cavity cleaning. Each kit comes with a range of 6 brush sizes: 1/8"-7/16", 1/2"-1" and 1-1/8"-1-3/4". Brushes are available in stainless steel, carbon steel, brass, nylon and natural bristle. The ring handle tube brushes are conveniently kept on a carabiner for easy storage and hanging.
