

# Comfort Garage Heater

ELECTRIC INFRARED HEATER

## PRODUCT OVERVIEW:

- Clean and efficient performance
- Effective spot heating over a work bench, or for use in small areas
- Operates with no open flames or dangerous toxic gas by-product
- Can be mounted to wall or ceiling
- Includes a 6' cord for installation

Infratech's Comfort Garage Heater provides odorless, energy-efficient, low-maintenance and cost-effective electric infrared warmth in garage or shop environments. The Comfort Garage Heater utilizes a medium-wave quartz element that offers ambient comfort heat at 1,500 watts. Using the mounting brackets provided, it can be mounted to a ceiling or wall, to add effective spot heating.
