

## PREMIUM MARINE METAL POLISH

Meguiar's® Flagship Marine Metal Polish is a premium metal polish paste that both polishes and protects in a single step. Uniquely engineered to restore all marine metals to a mirror-like shine, Flagship Marine Metal Polish also leaves behind special anti-corrosive polymers designed specifically for the harsh conditions of the marine environment.

PART NUMBER	SIZE
M180406	5.64 oz.

## PREMIUM CLEANER/WAX

Meguiar's® Flagship Premium Cleaner/Wax is a unique formula that will effortlessly remove light oxidation and water spots, minor scratches and haze while adding brilliant gloss and superior protection. Powerful Flagship ingredients provide long lasting protection against salt air corrosion and the sun's devastating ultraviolet rays. It's perfect to use on all fiberglass, painted and gel coated surfaces. Works great on all colors and in direct sunlight!

PART NUMBER	SIZE
M6132	32 oz.

## PREMIUM WASH-N-WAX

Meguiar's® Flagship Premium Wash-N-Wax uses an exclusive blend of carnauba and synthetic polymers to add a valuable layer of wax protection while at the same time delivering great cleaning results. This advanced blend not only emulsifies salt spray, dirt, bird droppings and boat scum but also protects against salt air corrosion and the sun's ultraviolet rays while adding a brilliant streak free shine. Ideal for those hard to work areas like non-skid, no extra rubbing required!

PART NUMBER	SIZE
M4232	32 oz.

## PREMIUM MARINE WAX

Dramatically enriches color and shine of fiberglass and gel coat surfaces. Effective in removing light oxidation and dullness, restoring gloss, and adding protection from UV damage.

\*Use wax only after the surface has been cleaned and restored to a "like new" or "average" finish.

PART NUMBER	SIZE
M6311 (Paste)	11 oz.
M6316	16 oz.
M6332	32 oz.
M6301	1 Gal.

## ULTIMATE DETAILER®

Designed to quickly remove dirt, grime, water spots and other fresh contaminants while adding deep gloss and long-lasting polymer protection. Use on all surfaces of your boat, including gel coat, metal and clear plastics to create a just-washed appearance. Once applied, this specialized detailer with Hydrophobic Polymer Technology™ will help to repel water in order to reduce drying time and water spot etching.

PART NUMBER	SIZE
M9424	24 oz.

## MARINE PAINT POLISH &amp; PROTECTANT

Protects and rejuvenates marine paint and LP finishes while delivering depth, high gloss and durable protection. Also effectively removes mild oxidation and water spots. Works great on gel coat too!

PART NUMBER	SIZE
M19716	16 oz.
