

## Derwent Academy Watercolor Pencils, 3.3mm Core, Pod Container, 12 Count

2301944

### Features

- Colors blend and dissolve easily to create gorgeous washes
- Easy-to-grip hexagonal 7mm barrel with easy color identification at top of pencil
- High-quality 3.3mm pigments ensure a smooth, even transfer to paper
- Draw out your painting and use a wet brush to dissolve pigment and paint
- The pod container secures contents just like a traditional pencil case
