# About Us

Classy Caps Mfg. Inc. is approaching two decades of success in the solar outdoor lighting market using the latest technology available. Our innovative patented designs and our stringent quality control procedures provide us and our customers with a distinct competitive edge. With our manufacturing process we ensure that only 100% reliable products reaches the end user.

We manufacture one of the most extensive ranges of Solar Post Caps available. Classy Caps offers styles and sizes that will fit over almost any PVC, wood, steel or aluminum posts. Add beauty and security to a wide variety of outdoor settings including pathways, fences, rails, docks and decks.
