

## Disposable Poly Aprons

Sta-Dri® Brand Aprons are the only aprons available on a roll. When you dispense one apron, the rest won't fall to the floor. Roll-pak options dispense one at a time for quick and easy changes and reduced waste. "Tie-Back" aprons feature extra long ties for fast changes. For your safety Sta-Dri Aprons are available in HACCP guideline colors to make it easy to minimize food prep cross-contaminations.

Consult factory for HACCP lead-times.
