

Sta-Dri®

Quality That Leaves You Covered.

FOOD SERVICE

At the core of Atlantis Plastics, Inc.'s Institutional Products Division lies the Food Service industry. For over 40 years the Sta-Dri® brand has provided the highest quality products through a vertically integrated, domestically manufactured, process. We understand that to succeed, your customer must experience the highest quality foods, the freshest ingredients and best-in-class service. We strive to provide the same great quality and service, and know you'll choose Atlantis Plastics for all of your disposable needs.

- **Foodservice Disposable Gloves – Pgs. 4 - 5**
- **Poly Aprons – Pgs. 8 - 9**

SCHOOLS

The school foodservice industry is dedicated to enhancing the learning process by feeding children healthy and nutritious meals. In today's economy it is important to know that valuable assets invested to train your staff will be rewarded with the pay-off of children visiting the cafeteria. Atlantis Plastics, Inc. is dedicated to providing products that ensure not only food safety but allow a presentation any school nutritionist will be proud of. As a vertically integrated domestic manufacturer, we are committed to supporting educational institutions with the highest quality products at affordable prices. Sta-Dri® is committed to finding solutions that fit within your budget and ensure the well being of every student and faculty member that walks through the cafeteria doors.

- **Disposable Foodservice Gloves – Pgs. 4 - 5**
- **Portion Control Bags – Pgs. 12 - 15**
- **Poly Aprons – Pgs. 8 - 9**

GROCER | SUPERMARKET

Atlantis Plastics understands that Customer Value is at the heart of every grocer / supermarket organization. Value, as defined by the Sta-Dri® brand, is the best quality for the right price. Sta-Dri®'s full line of disposable foodservice products provide the value your customers deserve, and the price your employees strive for. With products to support internal operations and customer facing sales efforts, a best-in-class branding strategy, and the quality expected from a vertically integrated domestic manufacturer, its easy to see why Atlantis Plastics is the right choice for you.

CONVENIENCE STORE

Today's premiere convenience store retailers have seen a shift in space allocation and revenue generation. With so much of today's square footage being dedicated to a fresh assortment of "Grab-n-Go" food and beverage products, a clean environment in which to shop becomes infinitely important. Foodservice programs require that safety take a front seat to ensure not only the customer's well being, but product quality and ultimately repeat business. Sta-Dri® brand disposable products will make sure your foods-to-go are of the highest quality. Sta-Dri® can address all of your janitorial and sanitation glove needs as well.

- Disposable Foodservice Gloves – Pgs. 4 - 5
- Portion Control Bags – Pgs. 12 - 15
- Pro•Grade Professional Strength Gloves – Pgs. 6 - 7

FOOD PROCESSOR

Supplying the world's consumers with premium quality foods bears a great responsibility; not only to the environment but to your customers as well. Providing safe and wholesome foods is job number one, and Atlantis Plastics, Inc. is the first step. As a vertically integrated domestic manufacturer, the Sta-Dri® brand is unsurpassed in quality and value. When considering your disposable food safety supplier, make sure that Sta-Dri® quality has you covered.
