

# MOPPING

## Tie-Back Dust Mops & Frames

- An economical choice for a cotton dust mop with full tie back
- Frame is constructed of heavy gauge metal
- Zinc plating reduces rust and corrosion
- Use dust mop handle (sold separately) on page 101

## Wedge Dust Mop

- Cotton dust mop with frame
- Threaded handle hole
- For hard-to-reach areas
- Use dust mop handle (sold separately) on page 101

Handles sold separately; see pages 176-180 for handle recommendations
