### Product Description

The performance of Cascades PRO Perform™ roll towels for Tandem®, and their 100% recycled fiber and 60% post-consumer fiber, have earned them the Green Seal, UL and Green-e certification, along with exceeding EPA comprehensive procurement guidelines. These roll towels continue to offer strength and absorbency. Along with their strong performance, their 1050' length also allows for added cost savings. They have been designed to work exclusively with Tandem® electronic and mechanical no-touch dispensers to hygienically dry your hands in restrooms experience across schools, retail spaces, industrial settings and foodservice venues.

This product meets the Green Seal™ Standard GS-1, based on chlorine-free processing, energy and water efficiency, and content of 100% recovered material with a minimum of 60% post-consumer material.
