

Glass Plus®

Glass & Multi-Surface Cleaner

Light-duty, non-ammoniated glass cleaner that cuts through dirt, grease and grime on windows, mirrors, appliances and more.

Features & Benefits

- Versatile for cleaning glass and hard surfaces
- Does not contain ammonia so there are no lingering or offensive odors
- Cuts through tough dirt, grease, and grime to leave an unbeatable streak-free shine on any surface

Applications

- Recommended for use on a variety of surfaces, including windows, mirrors, aluminum, granite, marble, Formica® and solid surface counter tops, ceramic tile, computer screens and more

Glass Plus[®]

Glass & Multi-Surface Cleaner

Use instructions

- Apply to surfaces with a suitable sprayer.
- For large vertical surfaces, work from bottom up.
- Wipe surface dry with a paper towel or lint-free cloth.

Important: When cleaning acrylic or polycarbonate, use a clean, soft, lint-free cloth. Do not rub on these surfaces if gritty or abrasive soil is present. Rinse soil from these surfaces before cleaning. Do not use on wood or other varnished surfaces. Spot test in an inconspicuous area before using.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
