

# WAREWASH

## Dishmate® Manual Dish Liquid, Pear, Free & Clear or Grapefruit

Highly-effective manual dishwashing liquid cleans and cuts grease without drying out skin. Quick-rinse formulation leaves less residue on dishes for faster, more thorough rinse time, eliminating residue and reducing water usage. Available in Pear, Free & Clear and Grapefruit. Hypoallergenic, readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

### PEAR

PL9720/6 6 pk. - 25 oz. retail  
 PL9720/04 4 pk. - gallon  
 PL9720/05 5 gallon pail  
 PL9720/55 55 gallon drum

### GRAPEFRUIT

PL9722/6 6 pk. - 25 oz. retail  
 PL9722/04 4 pk. - gallon

 Warning: may cause eye irritation

## DISHMATE® TIP

Dishmate® was formulated with low-foaming surfactants and detergents in order to cut through grease, remove foods and rinse very quickly. This is important, because a quicker rinse means a commensurate reduction in water use, and less time and labor spent rinsing. Surfactants and detergents do the dirt and grease-lifting; bubbles and lather do not clean.

## Wave® Automatic Dishwasher Gel Detergent, Free & Clear

Patented Wave® formula is a phosphate-free automatic dishwashing liquid. Works in all under-counter machines. Cuts through grease and dried-on food. Will not etch china, glass or plastics, and is safe for fine items like porcelain, silver and crystal. Works in all temperatures. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

PL9365/04 4 pk. - 100 oz.

 Warning: may cause eye irritation

## Wave® Commercial Automatic Dishwasher Detergent, Free & Clear

Formulated specifically for commercial automatic dishwashing machines, this product is less viscous than our standard Wave® formula, allowing liquid to be easily pulled through tubes from the container to the machine. Cuts through grease and dried-on food. Will not etch china, glass or plastics, and is safe for fine items like porcelain, silver and crystal. Works in all temperatures and in all automatic dishwashing machinery. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

PL9440/05 5 gallon pail

 Warning: may cause eye irritation

## WAVE® TIP

Once per month, we recommend pouring a cup of white distilled vinegar into the bottom of the dishwasher, and letting it run empty on the hottest temperature. This cleans your dishwasher and keeps it smelling fresh.

Over 15 states have banned phosphates. Acting as an aggressive fertilizer, phosphates cause plant life to grow at explosive rates in lakes, rivers and waterways. Algae blooms across water's surface, blocking air and sunlight from the natural interplay that oxygenates water, affecting marine life, insects and underwater plant life. Wave® is phosphate-free.
