

SCRUBS[®]

BRAND

With **13 different pre-moistened towels and wipes available**, the SCRUBS[®] Brand has the right product for your needs. **If you've got something to clean, we've**

got a SCRUBS[®] product made specifically for the job. Graffiti? No problem. Brass or stainless steel? You bet. Dirty, greasy hands? Sure thing. You get the idea.

But the SCRUBS[®] family of towels and wipes does more than an incredible job of cleaning - **it saves you money!** SCRUBS[®] contribute to the bottom line because customers have figured out that **the vast majority of cleaning costs -**

MORE THAN 90%! - ARE IN LABOR.

Conveniently packaged and pre-moistened, SCRUBS[®] towels and wipes keep your labor costs associated with cleaning low! They're easy-to-use, portable and come in pre-measured portions that eliminate uncertainty about chemical application and dilution rates. If you're already a loyal SCRUBS[®] Brand user, thank you for your business. But we'll bet that you had no idea just how many different kinds of SCRUBS[®] product options there are. If you're new to SCRUBS[®], we encourage you to select one or two of your toughest cleaning challenges and put them to the test! We're confident you'll become a loyal SCRUBS[®] user in no time.

SANITIZE, DISINFECT & DEODORIZE

MAINTAIN A SAFE, PRODUCTIVE WORK ENVIRONMENT.

disinfecting/sanitizing procedures on highly touched objects (HTOs), you can help prevent the spread of cold and flu in the your workplace - keeping your employees healthy and productivity high.

It all starts with the right cleaning program, using products that are proven effective in killing illness causing pathogens. ITW Pro Brands is your goto resource for all the cleaning, disinfecting and sanitizing chemicals you need to maintain a safe, productive work environment. Contact your ITW Pro Brands representative to select the right products for your workplace. After all - a healthy workplace and productivity are nothing to sniff at!

Nearly 111 million workdays are lost to flu-related absences every year in the U.S. alone. That comes to almost \$7 billion in lost productivity!*

The good news: many of these instances of illness are preventable. By maintaining effective
