# Die Cut Handle Bags

## NEXT GENERATION TAKEOUT

The Duro Die Cut Handle Bag is the leading food service bag design when quality and service require foods to remain flat during transit to prevent spillage and protect presentation. From salads and breakfast platters to clam shell lunch combos this unique size is a great option for your food service carry-out needs. This bag's innovative large rectangular bottom and reinforced die cut handle come together to build a stable carrier to get your food from counter to customer. Perfect for a variety of quick serve and quick casual dining applications such as: salads, combo platters, burrito bowls, pancake platters, pizza slices, or any item that needs to stay flat when carried out.

## PERFORMANCE FEATURES

- Large rectangular flat bottom creates stable carrier for platters and clam shell packaging
- Die cut handles create easy carrying feature that supports stability and convenience
- Self-opening system provides convenience and efficiency to both you and your customer
- Available plain or custom 4 color prints, on kraft or white paper
- Recycled content options available
