

TYPICAL CHARACTERISTICS:

Appearance	Dark green fluid
Physical State	Liquid
Flash Point	Non-flammable
Boiling Point	101°C (213.8°F)
Freezing Point	0 – 3.33°C (32 – 38°F)
Specific Gravity	1.01 – 1.03
pH	9.0 ± 0.5
Density	8.34 – 8.42 lb/gal
Water Solubility	100%
Odor	Added sassafras (sweet herbal) odor

SDS AVAILABLE ONLINE

TYPICAL USES: Concentrated cleaning and degreasing agent that can be used full-strength or in various dilutions to replace most general and specialized cleaners, detergents, solvents, and degreasers.

See label for additional uses.

SAFETY: Use protective glasses if splashing or spray-back is likely. Dermally sensitive individuals should use protective gloves.

SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

The powerful, economical and safer solution for cleaning and degreasing

UNIQUE FEATURES

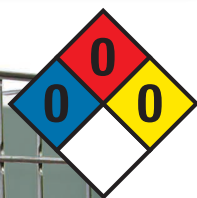

- Orally non-toxic & readily biodegradable formula
- Trusted non-abrasive, non-corrosive & non-flammable cleaner is a safer alternative to caustic cleaners & solvents
- Versatile formula can be used to clean and degrease all washable surfaces
- Cost-effective concentrate can also be used with cleaning equipment
- U.S. VOC compliant & exempt from U.S. OSHA special handling & personal protection requirements for hazardous materials
- Recognized by the U.S. EPA's Safer Choice program for its use of safer chemistry
- Complies with LEED and LEED-EB cleaning policies
- Butyl and phosphate-free formula
- Deodorizing sassafras scent

APPLICATIONS

- Ideal for a wide range of industries including manufacturing, MRO, food processing, mining, automotive, transportation and engineering
- Cuts through tough grease, oils, cutting fluids, built-up grime and residue on equipment, engines, machinery, vehicles, manufactured parts and more
- Cleans and deodorizes food residue, oils and grease from countertops, appliances, grills, vents, traps and trash cans
- Perfect for surface-prep prior to painting, plating or welding
- Concentrated formula is easily and economically diluted for office and building maintenance including kitchens, bathrooms, break rooms, offices and work floors
- Safe for use in cleaning equipment such as floor scrubbers, dip tanks, carpet extractors, pressure washers, parts washers, steam extractors and foamers
- Powerful enough for intense grime, yet gentle enough for continued maintenance of high-traffic areas

DILUTION RECOMMENDATIONS

- **HEAVY:** Thick grease, oil, carbon & soot, baked-on soils, tough soils embedded in porous surfaces: **Full-Strength to 10 Parts Water**
- **MEDIUM:** Greases & oils, most metal working fluids, hydraulic fluids, dirt, grime, food residue: **10-30 Parts Water**
- **LIGHT:** Dusts, particulates, very light oils: **30+ Parts Water**
- **MECHANICAL ASSISTANCE:** Scrubbing, brushing, pressure, steam, heat, air agitation, etc.: **20-30 Parts Water**
