- Left and right SmartClip in one set
- Replacement end clips for adjustable rubber tension
- Easily changeable and protects the window frame
- Color signal when clip is open

ErgoTec® NINJA The Most Advanced Window Squeegee Ever Built!

Aircraft Aluminum T6 Channel
Lightweight and stable Extruded Aircraft Aluminum T6 channel construction available in lengths up to 36" for cleaning large glass areas. Perfect pressure distribution. Will not break or bend.

Flexible Rubber Positioning
Choose from two rubber positions. Lower position for shorter channels (1), higher position for longer channels (2). Each always has the right pressure and contact to the window.

Revolutionary End Clip Design
Designed to protect window frames from scratching. SmartClips can be easily be replaced by hand or with screw driver.
