

PRODUCT

Forward Vision ADA

DESCRIPTION

We've taken our most popular workstation and have made it ADA compatible. Constructed of hardwoods and oak veneers and finished with a chemical resistant finish. The 1" epoxy resin top is available with or without a sink and two combination cold water/gas fixtures with paddle handles. The sink includes the trap, strainer, and stopper. The sloping front allows a person in a wheelchair to roll right up to the sink area. The door/drawer cabinet features a dovetailed drawer and storage area with an adjustable shelf, locks, and ADA compliant pulls. The door cabinet option includes everything previously listed except the drawer and includes two adjustable shelves. The unit also includes 2 GFI protected duplex outlets and rubber base molding. Unit measures: 96"W x 50"D x 34"H.
