## Tall Storage w/Glass Doors

DESCRIPTION

Two and four glass door oak display cabinets that are a great addition to the classroom. The top and bottom doors are divided making it easy to segregate your display types. The fixed shelf in the middle creates the ability to lock the top and the bottom doors separately. The right hinged doors have a lock which locks both right and left hinged (with astragal) doors. There is also a fixed bottom shelf and two adjustable shelves in the bottom and top sections each. Each shelf holds 40 lbs. per square foot. 36"W and 48"W units have 1" thick shelves. 24"W cabinets have 1" thick shelves. The display cabinet is made of oak veneers with solid wood framed glass doors. The glass doors are made of 3/16' tempered glass which is designed to crumble when broken, preventing injuries. The oak is finished with a non-emitting UV finish. The cabinet is available in three widths: 24" (two doors that are hinged left), 36" or 48"W (four door.) Overall dimensions: 22"D x 84"H.
