Imprint Dry Erase Tables

DESCRIPTION

Lets all the students record data right on the table top. These STEM tables are built similar to our plain apron lab tables and are available in oak or maple but come with an easy-to-use dry erase top. The top is imprinted and has a compass, meter ruler, yard ruler, circular graph and data recording graph for easy interaction. This hi-pressure laminate top works like a standard marker board and can be marked up with crayons, grease pencil or dry erase markers. Clean up is easy with standard marker board cleaner or eraser. The 54"W x 24"D top is perfect for two to four students to collaborate.
