

PRODUCT

Portable Drafting Table

DESCRIPTION

Make any surface a drawing or drafting surface with this portable drafting table. This drawing unit has a 24"W x 20"D drafting surface made of 3/4" almond colored plastic laminate with a PVC edge. Use as a flat surface or position to a 30, 45 or 60 degree angles. The rubber feet keep the maple base from slipping. Front surface has a pencil ledge to hold drawing materials. Folds flat for storage.
