

PRODUCT

## Planning Tables

DESCRIPTION

### > Planning Tables

Designed to be used in most any environment from art and general planning to sewing and model construction. The base is constructed of two tapered solid maple pedestal style panel legs and two solid maple truss bars. The unique way the top is attached prevents the table from racking or rocking. The table is finished with an earth-friendly UV finish. Choose from plain, book compartment or tote tray units. Book compartment measures: 34-1/2"W x 12-1/16"D x 2-1/4"H. Each tote measures: 13-1/2"W x 19"D x 3-1/2"H. Other choices include standard height (30"H) or elementary height (26"H), and the choice of 1-3/4" solid maple top or 1-1/4" plastic laminate with 3 mm PVC edging in either birch or almond color. Overall size: 60"W x 42"D.
