PRODUCT
DESCRIPTION

Robot Compartment Storage

- Mobile robotics storage cabinet offers storage for six competition size robots
- Constructed of maple plywood, with an earth-friendly UV finish
- Each of the six compartments has a fixed shelf which holds up to an 18" square robot
- The solid doors are outfitted with a secure 3 point locking handle
- Cabinet is constructed with a 1" thick bottom for security and durability
- Rolls easily on 4" heavy-duty locking casters
- Available with optional VEX logo on the door
- Robots are not included with the cabinets
