

Douglas® #42 Batting Tunnel Nets

Knotted Twisted HDPE Polyethylene
3604(2,3,5,6,8,9)

SPECIFICATIONS

All Douglas® Tunnel nets are 1-3/4" knotted polyethylene square mesh making it easier to hang and provides a cleaner appearance. Knotted netting boasts a high overall strength rating making it superior for direct impact applications.

Our Polyethylene netting offers a high UV and weather protection. Polyethylene naturally doesn't absorb water so it's mildew resistant and retains a high percentage of its strength over an extended period of time.

Choose from our standard high quality batting tunnel nets or Douglas® can also custom fabricate to your exact size specifications. Custom tunnels are manufactured with reinforced vinyl or rope borders on top and centers.

#42 BATTING TUNNEL NETS

This twisted polyethylene netting is a #42 gauge in with reinforced sewn rope borders around the perimeter. Corners have 6' rope tails and sewn loops making it easier to hang. Choose from six standard sizes. All nets include a convenient overlap style entry door.

WARRANTY

Douglas® Batting Tunnel Nets include a 3-Year limited warranty with a proper installation and normal, intended use.
