

SYSTEM SPECIFICATIONS

These popular square posts provide classic good looks and durability for either indoor or outdoor court applications.

DIMENSIONS

60" in length and sit 42" above court surface

POST

The 3" square tennis post is constructed from heavy-duty 11-gauge steel. Systems are finished with a black or forest green baked-on polyester powder coat to resist rust and increase durability. Integrated welded steel lacing rods are included for a professional net installation.

HARDWARE

Internally wound featuring a self-locking gear mechanism. Gears are constructed of plated steel and the small gear is case hardened. Gear housings and caps are made of cast aluminum alloy. Gear function is 30:1 to ensure a smooth, easy operation. Flush mounted gear plate cover and removable handle are chrome plated.

WARRANTY

5 Year Limited
