In addition, Douglas® nets carry a pro-rata warranty guaranteeing superior durability and longer net life. See for yourself why Douglas® nets are the brand of choice.

Netting:

Netting is 1-3/4" square mesh braided solid core polyethylene unsurpassed for durability and weather resistance. Championship nets are made from 3.5mm with 325# break strength, Tournament and Recreation nets are made from 3.0mm with 285# break strength.

Headbands:

Headbands are constructed using heavy-duty vinyl coated polyester or durable polyester webbing material that withstands the elements and won't shrink, rot or mold. Headbands are sewn to the netting with four rows of 32# white polyester thread -the heaviest in the industry.

Bottom & Side Pocket Tapes:

Bottom and side pocket tapes are made of heavy-duty vinyl coated polyester and won't shrink, mildew or rot when exposed to the elements. Fiberglass dowels in the side pockets keep the net taut and attractive. Heavy duty brass grommets and lacing cord lets you pull the net snugly up to each post.

Cable:

All Douglas® tennis nets come complete with a vinyl coated, 5/32" galvanized steel cable with break strength of 2300#. Both ends have double-swaged loops.
