Clear AF

Go-Specs™ IV

Great Style & Fit at
a Value Price!

Product Features:

- Protects eyes from particles, dust, wind and cold in indoor/outdoor environments.
- Wraparound temples hold spectacle on wearers head without strap.
- Ventilation ports and side temple slots allow air flow for superior anti-fog performance and wearer comfort.
- Soft foam comfortably fills the gap between your face and lens for excellent protection.
- EVA Closed cell foam is easy to clean and long lasting, resisting body oil and sweat.
- Elvex® anti-fog coating, anti-static and anti-scratch protection.

Other Key Product Features

- Over-sized wrap lenses provides extended field of vision.
- Lightweight and comfortable for all day use!
- Polycarbonate lenses absorbs 99.99% of harmful UV A, B and C, 180-380nm.
- Meets ANSI Z87.1-2010+
