ErgoFit™ Temples
Secure, Comfortable Fit

Helium 15™

For workers who don't want to wear eyewear.

Increase protective eyewear compliance.

Product Features:

- Weighs only 15 grams. Compliant Class 1 optics.
- Distortion-free wraparound polycarbonate lens, offers superior peripheral vision and protection.
- ErgoFit™ contour temples follow the shape of your head:
 - Amazingly comfortable fit.
 - Lies flat against the sides of your head for better fit with hearing protectors and other PPE.
 - Light, continuous pressure along the entire temple securely holds the frame in place for better non-slip compliance.

Other Key Product Features

- Available in clear and grey hard coat lens, as well as clear and grey SuperCoat™ anti-fog lens with washable coating.
- Meets ANSI Z87.1-2010+, CE EN-166.
- Polycarbonate lenses absorbs 99.9% of harmful UV A, B and C, 180-380nm.
