CHAIN SAW PROCHAPSZ™ ZIPPER CHAPS JE-9133Z LENGTH 33 INCHES FROM WAIST

Ref. WELJE9133Z_

Product specifications

Reduce Catch Points with ProChapsZ™ Hassle-Free Wear from Elvex! Helps meet ANSI Z133-2012. The 91Z Series zipper chaps can be worn during cutting AND when working in the chipping area. Full wraparound leg protection, patented smart asymmetrical design (U.S. No. 5,095,544). The outer shell is designed for durability even in severe environments and outer fabric cover coating is water resistant.

A zippered front pocket to store wedges and wrench.

Easy Self-storing feature, simply fold down chaps to fit into one leg and zip closed.

Length measured from waist 36 inches.

Tested and Certified Underwriter Laboratories.
