

# KINGSTON BRASS Undermount Lavatory EV4318

- Installation Instructions :
1. Cut the template on the dotted line.
  2. Place the outer portion in the exact location that the sink is to be installed.  
Check for clearance between the lavatory , faucet , backsplash and cabinet.  
Adjust if necessary.
  3. Trace the template on the countertop.
  4. Cut out the opening along the inside edge of the line that was drawn  
and install per the instructions.
  5. Install the fittings and drain assembly per instructions supplied  
by manufacturer.
  6. Connect water supplies and check for leaks.
