No substitutions

The 780 series of bellman's carts combination of classic, functional design and rugged construction make this cart a workhorse of hundreds of hotel lobbies nationwide. This unit easily handles suitcases, boxes, bags, hanging clothes and just about anything else a hotel guest will bring.

Features and Benefits

- Uprights are made of sturdy 18 gauge tubular steel
- All models feature 18 gauge type 304 stainless steel crossbar for hanging garments
- All 3/4" plywood decks come with a needle-punched, stain-proof carpet for long wear, and reinforced steel under-carriage
- Carpeting is all minimum 25% recycled material content
- Ample 1,000 lbs capacity
- All casters are non-marring Grey
