## iN2-2P ProFusion Injection Device

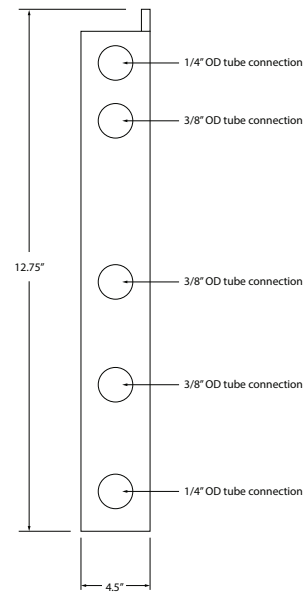

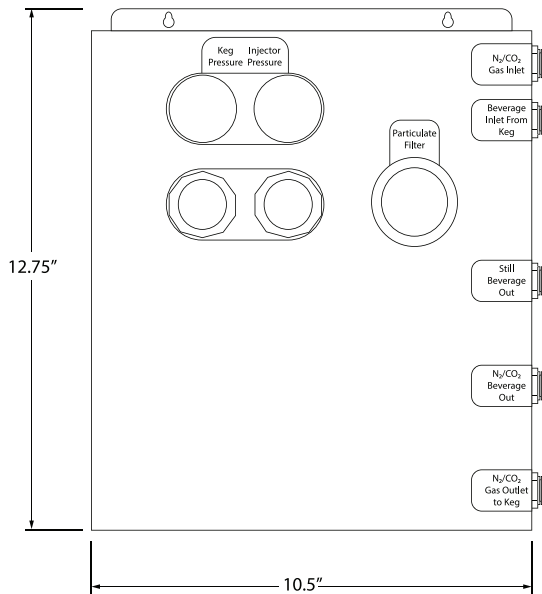

## N<sub>2</sub> and CO<sub>2</sub> Beverages on Tap

- Easily add a ProFused beverage to your draft system.
- The iN2-2P injector is designed for use in a back bar, direct draw cooler or walk-in box when paired with our iN2 draft tower.
- The ProFusion system uses one cold keg of cold brew coffee, tea or your craft beverage of choice and dispenses two different style beverages from a single keg
- Nitrogenated or lightly carbonated, and Still Beverage on Tap.
- Simple set-up configuration: One keg connection, two outlets. One gas connection, feeds both the system and keg (each with their own pressure control).
- High visibility and easy accessible particulate filter
- Compact, thin design that can easily fit in coolers and not take up excessive space.

## Specifications

- 10.5"W x 4.5"D x 12.75"H includes top and bottom mounting bracket
- One gas inlet, dual gas control for keg and injector pressures
- One product from keg inlet, two product outlets
- Built in stainless steel particulate filter, 50 micron, washable and reusable
- Allow 4" clearance recommended for easy access to regulators and particulate filter
- Weight: 6.25 lbs
- Stainless steel enclosure
- John Guest® swivel fittings and barb to stem adaptors
- All other components supplied separately per customers use and set-up
- Must be located in a refrigerated space within five feet of dispensing tower
- Liquid and gas inlet/outlet ports are on one side of the iN2-2P injector

## Accessories:

- **CR-PMT-5G**  
5 gallon premix tank

- **Gas Ball Lock**  
Disconnects for premix tank

- **CR-N2**  
Stout faucet for N2 beverage

- **CR-742N**  
Primary N2 tank regulator
- **CR-3741**  
Primary O2 tank regulator

- **CR-CUSTAP**  
Custom tap handles. Contact factory for options and details.

- **CR-PMT-2.5G**  
2.5 gallon premix tank

- **Liquid Ball Lock**  
Disconnects for premix tank

- **CR-G26SS**  
304 stainless steel nitro faucet

- **CR-153-5SS**  
304 stainless steel shank used with CR-G26SS nitro faucet

- **CR-CUSTOMER**  
Custom draft tower. Contact factory for options and details.

- **1-2Coldbrew**  
Cleaning and sanitizing kit for cold brew systems

- **Keg Coupler**  
D Style stainless steel

- **CR-SSX0101**  
HEX faucets, for premix beverage

- **CR-X5SHNK**  
5" wall shank
