MODEL BP8SQ

BASE PAD, 8" SQ FITTED WRAP AROUND

Fitted base pad for 8" square outdoor post provides protection from ground plate and protruding anchor bolts. Pad will be constructed of 2" thick polyurethane closed cell foam. Padding encased in 18 oz UV protected vinyl, resisting water retention and providing a long life without discoloration.

A 2" hook and loop style fastener secures the pad around the post while providing for quick and easy installation and removal.

Available only in black color.

Subject to design change and current manufacturing practices.
