Classic Microscope Slides

New, IMPROVED PACKAGING minimizes the opportunity for breakage during shipping and has enhanced moisture barrier properties!

Globe Scientific Classic Microscope Slide packaging has been re-engineered for improved performance and increased product yield. *New packaging is forecast to begin shipping in early 2017.*

Outer Carton:

- New outer carton design allows for alternate inner box orientation resulting in reduced breakage of slides during shipping.

New Carton

Old Carton

Inner Boxes:

- Inner boxes are now hermetically sealed in heavy-duty plastic wrapper at the time of production to lock out humidity and reduce sticking.

New Inner Box

Old Inner Box

Note: This is a rolling change. As current stock is depleted, the new packaging will be substituted in its place. There is no change in part numbers or box/slide unit quantities.

See next page for all item numbers benefiting from this improvement . . .
