

Detailed information is available on our Website - [www.feherguard.com](http://www.feherguard.com) and in the *Model Information Booklet*

**HOW TO ORDER: To order a complete System, select the END plus the TUBE(S)**

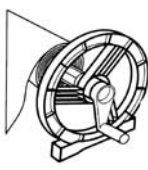

**Sample Order:** (Pool is 20' x 40' In-Ground)

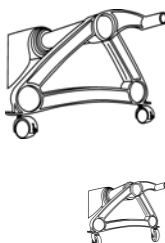

1. Choose End Style (i.e. Wheels Reel)
2. Choose Tube - based on Pool Size (Anodized or Mill\*, if applicable)

**5 Year Warranty**  
*all residential systems*

\* Mill tubes tarnish. Tarnishing does not affect tube integrity. Anodized tubes help reduce tarnishing.
