Scent-Trific™ The Chlorine Plus™ Tab

Only tabs with the Scent-Trific flower stamp guarantee high quality, low odor chlorine.

Scent-Trific™ Tabs

Longer Lasting, Money Saving, Full Strength, Low Odor Chlorine Tabs.

Active Ingredient: 99% premium grade Trichlor

- Individually wrapped 8 oz. tabs
- No gummy binders
- No film or clogging of skimmers, chlorinators, or filters
- Ensures safe, sanitary, sparkling water
- Floral fresh scent package

Individually Label Wrapped 3" Tabs

Child resistant wrapped tabs may be sold individually.

Sold As:	Part #
80 Tabs in 40lb pail	CVTLCR080

Individually Wrapped 3" Tabs

May NOT be sold individually.

Sold As:	Part #
8 x 5 lb. case	CVTLST005
4 x 10 lb. case	CVTLST010
25 lb. pail	CVTLST025
50 lb. pail	CVTLST050

 **Scent-Trific Chlorine Plus Tabs are an advanced, low odor, full strength chlorine technology. No other tab delivers more!**

No Big Box Competition

Millions of dollars are lost to big box stores in chlorine sales every year. By offering Scent-Trific to your customers, you provide them with a superior product that's not available through any big box source thus putting the dollars back into your pocket, where they belong.

Exclusive Product

Scent-Trific tabs are only sold to pool professionals ensuring that you're offering a product that promotes and protects your business. Show your customers how much you care about them and the quality of their pool water by giving them a superior product that they can only get from their trusted pool source.

Built In Profitability

Scent-Trific tabs are protected by MAP pricing ensuring that the integrity of the product line and your ability to make a profit from it are secure. Unlike bargain tabs which are price slashed to the point of non-existent margins, Scent-Trific tabs are protected – kind of like purchasing an insurance policy for your tab business.

Repeat Customers

Since Scent-Trific is only offered through pool professionals, your customers will continue to come back to you for their replacement supplies. When your customer understands the benefits, and cost savings of using this superior tab, they will continue to want to provide only the best water sanitizing product to their pool environment – and all its swimmers.

Cross-Sell Opportunities

By bringing your customers back to you for their Scent-Trific product, you also increase the opportunity to cross-sell them on other products and/or services that you offer. Something as simple as coming by your location to pick up a restock of Scent-Trific tabs could result in additional toy, equipment, furniture, or accessory sales.

SANITIZE

Jumbo Tabs 3"

Hard-pressed 8 oz. tabs provide safe, clean, and sanitized water.

Active Ingredient: 99% Trichlor

- No gummy binders
- Jumbo tabs are unwrapped
- No film or clogging of skimmers, chlorinators, or filters
- Provides dependable sanitization for clean and safe water

Unwrapped Tab

Sold As	Part #
8 x 5 lb. case	CVTL005U
4 x 10 lb. case	CVTL010U
25 lb. pail	CVTL025U
50 lb. pail	CVTL050U

Tabits - 1" Tabs

Small size dissolves more quickly. Great for smaller pools.

Active Ingredient: 99% Trichlor

- No gummy binders
- Hard-pressed, unwrapped 1/2 oz. tab
- No film or clogging of skimmers, chlorinators, or filters
- Ensures safe, sanitary, sparkling water

Sold As	Part #
8 x 5 lb. case	CVTS005
4 x 10 lb. case	CVTS010
25 lb. pail	CVTS025
50 lb. pail	CVTS050

Pool Sticks

Works to sanitize water, kill bacteria, and control algae.

Active Ingredient: 99% Trichlor

- No gummy binders
- Hard-pressed, unwrapped 8 oz. sticks
- No film or clogging of skimmers, chlorinators, or filters
- Delivers quality sanitization for clean pool fun

Sold As	Part #
8 x 4.5 lb. case	CVST005
4 x 8 lb. case	CVST008
25 lb. pail	CVST025
50 lb. pail	CVST050

Bromo Tabs

Chlorine alternative, commonly used in spa and smaller pool applications.

Active Ingredient: 96% Bromine

- Slow dissolving
- Reduced odor
- Keeps water clean and clear for worry-free use

Sold As	Part #
8 x 4 lb. case	CVBR004
25 lb. pail	CVBR025
50 lb. pail	CVBR050

Granular - Shimmer-N' Shock

Shimmer-N' Shock is a granular chlorine based bacteria and algae control.

Active ingredient: 99% Sodium Dichlor

- No pre-dissolving.
- Completely soluble. No residue.
- Will not cause pH bounce
- Being pH neutral & quick dissolving makes it the most universal chlorine product available
- Economical shock treatment
- Restores sparkle and clarity to dull water
- Perfect for vinyl-lined or above ground pools

Sold As	Part #
8 x 5 lb. case	CVDB005
4 x 10 lb. case	CVDB010
25 lb. pail	CVDB025
50 lb. pail	CVDB050

BALANCE

NEW Pouch Packaging With Resealable Child Safe Zipper!

Available in convenient 5 lb. to 25 lb. sizes.

Heavy duty tear proof packaging and child safe Child-Guard™ zipper.

Total Alkalinity

Raises the overall alkalinity and protects from surface staining.

Active ingredient: Sodium Hydrogen Carbonate

- Effectively raises total alkalinity
- Prevents pH bounce
- Protects surfaces from staining or discoloration

Sold As	Part #
8 x 5 lb. pouch case	CVTA005
4 x 10 lb. pouch case	CVTA010
25 lb. pouch	CVTA025
50 lb. pail	CVTA050

Calcium Increaser

Increases calcium hardness to prevent etching, corrosion, and unbalanced water.

Active ingredient: Calcium Chloride

- Effectively raises water hardness
- Prevents corrosion of metal parts
- Prevents etching
- Protects heater elements

Sold As	Part #
4 x 10 lb. pouch case	CVCC010
25 lb. pouch	CVCC025
45 lb. pail	CVCC045

Primo Powder

Water conditioner and stabilizer. Helps prevent chlorine loss from exposure to the sun.

Active ingredient: Isocyanuric Acid

- Fine mesh granular
- Improves effectiveness of sanitizer
- Reduces amount of chlorine absorbed by the sun

Sold As	Part #
36 x 1 lb. pouch	CAPP001
8 x 5 lb. pouch case	CVCA005
4 x 10 lb. pouch case	CVCA010
25 lb. pouch	CVCA025
45 lb. pail	CVCA045

pH Up

When the pH levels fall below 7.2, quickly raise it to the optimal range of 7.2 - 7.6 with pH Up.

Active ingredient: Sodium Carbonate

- Effectively raises pH
- Prevents cloudy water
- Improves effectiveness of sanitizer
- Proper pH range maintains swimmer comfort

Sold As	Part #
8 x 5 lb. pouch case	CVSA005
4 x 10 lb. pouch case	CVSA010
25 lb. pouch	CVSA025
50 lb. pail	CVSA050

pH Down

When the pH levels rise above 7.6, quickly reduce it to the optimal level of 7.2 - 7.6 with pH Down.

Active ingredient: Sodium Bisulfate

- Effectively lowers pH
- Lowers total alkalinity
- Improves effectiveness of sanitizer
- Proper pH range maintains swimmer comfort

Sold As	Part #
8 x 7 lb. pouch case	CVSB007
50 lb. pail	CVSB050

SHOCK

Shimmer-N' Shock

Chlorine based shock treatment to control bacteria and algae.

Active ingredient: 99% Sodium Dichlor

- No pre-dissolving
- Completely soluble. No residue.
- Will not cause pH bounce
- Being pH neutral & quick dissolving makes it the most universal chlorine product available
- Economical shock treatment
- Restores sparkle and clarity to dull water
- Perfect for vinyl-lined or above ground pools
- Available in pails. See Granular in Santizers

Sold As Part #
24 x 1lb. pouch CVDB001

Chlor Free Shock & Swim 15

Non-chlorine shock oxidizer that removes organic contaminants and improves water clarity.

Active ingredient: 45% Potassium Monopersulfate

- Removes chloramines
- Safe with chlorine, bromine, and copper/silver sanitizer systems
- Will not raise chlorine to unsafe levels
- Available in pails or convenient 1lb pouches
- Re-enter pool as quickly as 15 minutes after application
- Promotes sanitizer effectiveness
- Restores sparkle and clarity to dull water
- Will not bleach or fade vinyl liners

Sold As Part #
24 x 1lb. pouch CVCF001
25 lb. pail CVCF025
50 lb. pail CVCF050

Insta-Chlor

Highly effective shock that sanitizes, clarifies, and prevents algae growth.

Active ingredient:

- 68% Calcium Hypochlorite
- Removes chloramines
- Safe with chlorine, bromine, and copper/silver sanitizer systems
- Available in pails or convenient 1lb. pouches
- Economical shock treatment
- Quickly restores clarity to water
- Promotes sanitizer effectiveness
- Won't raise cyanuric acid levels

Sold As Part #
24 x 1lb. pouch/box IC001
25 lb. pail IC025
100 lb. barrel IC100

Insta-Chlor Super 73

Supercharged version of our standard Insta-Chlor shock. Perfect for after large volume pool usage.

Active ingredient:

- 73% Calcium Hypochlorite
- Removes chloramines
- Safe with chlorine, bromine, and copper/silver sanitizer systems
- Convenient 1lb. pouches
- Quickly restores clarity to water
- Promotes sanitizer effectiveness
- Won't raise cyanuric acid levels

Sold As Part #
24 x 1lb. pouch/box ICS73001

Opening & Closing Kits

Winter Sleeper Pool Closer

Protect your pool and equipment for the long winters nap. Our Winter Sleeper Pool Closer includes an algaecidal clarifier, surface/equipment protector, and shock packs in chlorine or chlorine-free formulas.

6 per case.

Chlorine Winter Sleeper Pool Closer

Up to 15,000 Gallons WS1500
Up to 35,000 Gallons WS3500

Chlor-Free Winter Sleeper Pool Closer

Up to 15,000 Gallons WS1500CF
Up to 35,000 Gallons WS3500CF

Spring Start-Up

Jump start your pool for the summer swim season! The Spring Start-Up comes with a clarifier, powerful poly algaecide, equipment protector/stain remover, and shock packs.

6 per case.

Chlorine Spring Start-Up

Up to 15,000 Gallons SS1500
Up to 35,000 Gallons SS3500

Chlor-Free Spring Start-Up

Up to 15,000 Gallons SS1500CF
Up to 35,000 Gallons SS3500CF

Reduce Cyanuric Acid

Bio-Active

Bio-Active is a biological approach to safely and effectively reducing cyanuric acid levels by introducing powerful catalysts that accelerate the natural pathways of degradation for cyanuric acid.

- No need to drain your pool
- Saves water • Easy to use
- Natural and organic
- Non-toxic • Biodegradable!
- Economical and environmentally friendly.

Sold As Part #
Up to 25,000 Gal. CAD008Z
Up to 50,000 Gal. CAD016Z

Cyanuric Acid Test Strips

Accurately reads cyanuric acid up to 300 ppm. Quick and easy water testing in just 15 seconds.

Sold As Part #
1 bottle TS808

CONTROL

Poly Power

Available in 30% & 60% Strengths

A broad spectrum algaecide that kills and prevents common and hard to kill algae.

Active ingredient: Polyethylene Dichloride

- Active over a wide range of pH
- Non-foaming and non-metallic
- Not affected by high chlorine residuals
- Increases efficiency of sanitizers
- Improves water quality
- Long lasting algaecide

	Sold As	Part #
Poly 30	12 x 1 qt case	CVLPP30QT12
Poly 60	12 x 1 qt case	CVLPPQT12
	4x1 gal case	CVLPP1G4

Copper Strike

Eliminate yellow, green and black algae with this efficient, long lasting, copper based algaecide.

Active ingredient: Copper as elemental 7.41%

- Non-selective: kills all types of algae
- Long lasting residuals
- Best copper based algaecide on the market with the least risk of staining
- Increases efficiency of sanitizers
- Improves water quality

Sold As	Part #
12 x 1 qt case	CVLCSQT12
4 x 1 gal case	CVLCS1G4

Silver Strike

Targeted algaecide that eliminates resilient black and mustard algae as well as pink pigmented slime.

Active ingredient: Colloidal Silver Complex

- Highly effective targeted algaecide
- Non-foaming
- Works well with chlorine or bromine sanitized pools
- Assists in controlling bacteria
- Can be applied to any pool surface
- May last for several weeks depending on pH balance

Sold As	Part #
12x1qt case	CVLSSQT12

Algaecure

The cure for black algae breakouts. Can also be used as a super chlorinator.

Active ingredient: 99% Trichlor

- Can be used as a super chlorinator
- Effective algaecide for black algae in white plaster pools.
- Ensures safe, sanitary, sparkling water

Sold As	Part #
12 x 2 lb. case	CVTC002
8 x 5 lb. case	CVTC005
4 x 10 lb. case	CVTC010
25 lb. pail	CVTC025
50 lb. pail	CVTC050

Yellow Aid

Quickly removes yellow/mustard algae.

Active ingredient: 99% Sodium Bromide

- Effective on any pool surface
- Can be applied at any time, day or night
- Formulated to be effective in various pH ranges
- Dissolves quickly and leaves no residue
- Non-staining
- Can be used without adjusting water chemistry
- No waiting to use the pool
- Can be used as a preventative against further algae spore reproduction

Sold As	Part #
12x2 lb. case	CVSO002
25 lb. pail	CVSO025

Quat Power

Prevents and kills algae and algal slime growth.

Active ingredient: 49.8% Dimethyl Benzyl Ammonium Chloride

- Effective over a wide pH range
- Non-metallic
- Controls the growth of algae slime
- Improves water quality

Sold As	Part #
12 x 1 qt case	CVLQPQT12

90 Day Algae Treat

Long lasting, fast acting, easy to use treatment that prevents all types of algae.

Active ingredients: Copper Triethanolamine complex 11.72% & 3.5% elemental copper

- Long-lasting effectiveness in all pool types
- Can swim immediately after treatment
- Controls the growth of all types of algae
- Increases efficiency of sanitizers

Sold As	Part #
12 x 1 qt case	CVLATQT12

Stopz-It™ Nutsedge Weed Killer

Proven control of Nutsedge and other weeds.

Dichlobenil in Proprietary oil clay formula

- Will not harm common grass and shrubs
- Professional strength
- Improves coverage and an even vapor barrier
- Prevents seed germination of Nutgrass, Pigweed and Horsetail

Sold As	Part#
10 x 3.5 lb. bag	CVSTOP035
4 x 5 lb. bag	CVSTOP005

CONTROL

Super Crystal Clarifier

Surrounds even the smallest particles to aid in filtration, leaving the water exceptionally clear.

Active ingredient: Proprietary Formula

- pH neutral
- Reduces algae occurrence
- Surrounds and coagulates microscopic particles making them easier to capture in the filter
- Not affected by shock treatments
- Reduces operational costs
- Nonstaining, nonfoaming
- Reinstates water clarity and sparkle

Sold As Part#
 12 x 4 oz. /display box CVLSCC4OZ
 12 x 1 qt case CVLSCCQT12

PHOS-BOSS

When you want phosphates out, turn to the Boss!

The primary cause of algae growth is phosphates. Reducing phosphates eliminates the food source and keeps your pool algae free.

Active ingredient: Proprietary Formula

- Professional strength
- Chelates and coagulates phosphates
- Works immediately, with or without water circulation
- Lowers phosphates to under 100 ppb
- 150% more effective than leading removers
- Substantially lowers algae's food source
- Improves sanitizer effectiveness
- Reduces need for shocks, algaecides, and other measures

Sold As Part#
 6 x 64 oz./case CVLPB05G6

Filter Aid

Removes oil, scale, grime, and organics from sand, cartridge, and D.E. filters.

Active ingredient: Proprietary Formula

- Professional strength
- Use as a backwash or a soak cleaner
- Compatible with all sanitizers
- Prevents cloudy water
- Improves water quality
- Helps prevent recurring water problems

Sold As Part#
 12 x 1 qt case CVLFAQT12

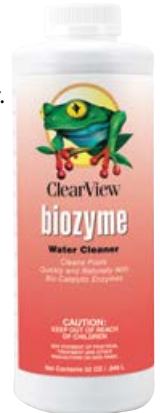

Biozyme

Biocatalytic enzymes remove body oils, suntan lotions, grease, and other organic contaminants from pool water.

Active ingredient: Proprietary Formula

- Biocatalytic enzymes
- Professional strength
- Removes pollen and other organic contaminants that clog filters and cause waterline stains
- Easy to use
- Cleans pool water quickly and naturally

Sold As Part#
 12 x 1 qt case CVLBZQT12

Mineral Magnet

Removes metals from pool water, stains from pool surfaces and equipment, and restores water clarity.

Active ingredient: Proprietary formula

- Professional strength
- Chelates and coagulates minerals
- Lowers calcium hardness
- Prevents staining
- Removes scale
- Promotes sparkling clear water
- Lowers maintenance costs

Sold As Part#
 12 x 1 qt case CVLMMQT12

Drop Out

Collects cloud causing particles that are too small to be trapped by the pool filter.

Active ingredient: Proprietary formula

- Drops both live and dead suspended matter to bottom of the pool where it can easily be vacuumed
- Lowers excessive total dissolved solids without affecting other balancers
- Promotes sparkling clear water
- Lowers maintenance costs

Sold As Part#
 12 x 1 qt case CVLDOQT12

TVC Tile and Vinyl Cleaner

Removes scum, oil, and scale from tile and vinyl surfaces.

Active ingredient: Proprietary formula

- Nonabrasive
- Professional strength
- Removes scum, oils, and scale
- Easy to use. Saves time.
- Keeps pool looking clean, fresh, and beautiful

Sold As Part#
 12 x 1 qt case CVLTVQQT12

Chlorine Kick-Out

Effectively kicks-out excess amounts of chlorine or bromine from pool or spa water.

Active ingredient: 100% Sodium Thiosulfate

- Quickly reduces or eliminates extra chlorine or bromine in pool or spa water

Sold As Part#
 12 x 2 lb. case CVKO002
 50 lb. pail CVKO050

Stinger ^{Mini} For Spas!

by poolpals™

Just as Clear Spa 104° chemicals are designed for the specific needs of hot water environments, the Stinger Mini line provides the superior quality found in its larger pool maintenance counterparts, but in a size catered toward smaller spa and hot tub spaces.

Stinger Mini Pole

Spa sized for ease of use and maneuverability. Expands from 3' to 6' as needed. - PL40036

Magnetic Pick-Up

Stinger Mini Brush

12" brush with poly bristles and magnetic pick-ups on the endcaps. Great for all surfaces, including vinyl. - BR4012S

Stinger Mini Spa Vac

Works with the pressure from a garden hose to create a Venturi action that draws debris into the vacuum bag for easy removal - VH2200C

Stinger Mini Rake

Comes with a 12" Standard Bag for quick removal of regular sized debris - LN4045

Stinger Mini Sand Rake

With a 12" Sand Bag for smaller debris collection - LN4040

*Elevate your
spa experience.*

Balancers

Alkalinity

Raises total alkalinity levels to prevent pH shifts which could cause equipment corrosion.

Part # Case Qty.
CSTA002 12 x 2lb.

pH Plus

Gently raises pH levels, improving spa water comfort and the effectiveness of sanitizers.

Part # Case Qty.
CSSA002 12 x 2lb.

pH Minus

Lowers pH and total alkalinity levels, improving spa water comfort and the effectiveness of sanitizers.

Part # Case Qty.
CSSB003 12 x 3lb.

pH Hold

A special blend of balancing agents that will lock and maintain an ideal pH level for up to 3 months.

Part # Case Qty.
CSLHQT12 12 x 1qt.

Calcium

Effectively raises the calcium hardness level which helps prevent corrosion of equipment and etching of spa surfaces.

Part # Case Qty.
CSCC002 12 x 2lb.

Sanitizers

Bromo Bright Tablets

Provides a source of active bromine ideal for continuous disinfecting of your spa. Tablets are designed to dissolve slowly in spa feeders.

(Oreg bromine feeders, part# CL270 or CL280.)

Part # Case Qty.
CSBR015 12 x 1.5lb.

Bromo Boost

Quick dissolving, concentrated bromine booster acts to stabilize and oxidize the sanitizer. Effective over a wide range of pH and offers long lasting sanitation.

Part # Case Qty.
CSSO002Z 24 x 2oz.
CSSO002 12 x 2lb.

Chlorinating Granules

Chlorinating Granules dissolves quickly and has a neutral pH; ideal for disinfecting spa water.

Part # Case Qty.
CSDD002 12 x 2lb.

Shocks

Crystal Shock Oxidizer

A non-chlorine shock that keeps water crystal clear. Provides an oxygen boost for existing chlorine and removes organic materials.

Part # Case Qty.
CSPM002 12 x 2lb.

Spa Seltzer

A quick dissolving seltzer tab containing mineral spring salts and bacteria fighting ingredients. Spa Seltzer provides the sensation of immersing in a Japanese hot spring and gives a soothing feel to the skin.

Part # Case Qty.
CSSS002 12 x 2lb.

Control

Cartridge Cleaner

Professional grade cartridge cleaner used to remove particles so filters can operate at optimal efficiency.

Part# Case Qty.
CSLCCPT12 12 x 1pt.

Jet Blast

Clears unwanted contaminants like oils, dirt, and other organics so that the spa plumbing and jets are free to work at optimum efficiency.

Part# Case Qty.
CSLJBPT12 12 x 1pt.

Surface Cleaner

Cleans and prevents future damage to spa surfaces caused by oils, dirt and organic material.

Part# Case Qty.
CSLSCT12 12 x 1pt.

Spa Phos

A powerful proprietary phosphate remover that eliminates the food source for algae.

Part # Case Qty.
CSLPBPT12 12 x 1pt.

Crystal Brite

Powerful formula that coagulates dirt and other particles so they can be easily removed by the filter, resulting in bright, clean, spa water.

Part# Case Qty.
CSLCBPT12 12 x 1pt.

Metal Guard

Prevents scale and removes existing stains to extend the life of your spa and equipment.

Part # Case Qty.
CSLMGPT12 12 x 1pt.

No Foam

Removes and prevents foaming in spas which is often caused by imbalances in spa water or soaps and detergents introduced by bathers.

Part # Case Qty.
CSLNFPT12 12 x 1pt.

Natural Enzymes

Cleans spa water quickly and naturally by effectively breaking down contaminants and oils that cause unsightly scum and unwanted odors.

Part # Case Qty.
CSLNEPT12 12 x 1pt.

Spa Start-Up

Everything needed to get a new spa or hot tub up and running: sanitizer, anti-foam, clarifier, equipment protector, and a Clear Spa 104° Spa Care Guide.
