## About us:

### HydroQuip ... the Smart Choice

HydroQuip has been providing innovative, dependable and high quality portable spa and hot tub retrofit controls to the industry for over 30 years. HydroQuip continues to offer the broadest selection of controls and replacement parts to fit every spa or hot tub. We continue to lead the industry in innovation and “down to earth” product features by designing products that address the real needs and desires of today’s spa and hot tub retail dealers and service technicians.

“Down to Earth” features such as this long list of industry firsts:

<b><u>Electronic Controls</u></b>	Choice of Balboa® or Gecko Series
<b><u>Slide Heater Assembly</u></b>	Position the heater to your requirements
<b><u>Versi-Heat Remote Heaters</u></b>	Remote heater for added convenience
<b><u>Universal Retro-Fit System</u></b>	Complete ready to install bundled Control Kits
<b><u>Visual Diagnostic System</u></b>	Provides easy system diagnostics
<b><u>System Mis-Wire Protection</u></b>	Protection from improper electrical installations
<b><u>Universal Circuit Voltages</u></b>	Flexible circuit designs

In addition to our innovative spa and hot tub products, you will find our customer service team to be unmatched in their first hand product knowledge. Our customer service, sales and technical support teams are all industry veterans that understand not only the product but the application spa customers encounter on a daily basis. We take great pride in our reputation for superior quality and responsive customer service, all at a competitive price.

**In the following pages you will find a selection of products and replacement parts which address your new and retro-fit needs and marketing requirements. Please contact us if you have any additional needs, questions or requirements.**

# Why choose Hydro-Quip? Here's why ...

## Warranty & Customer Service

At Hydro-Quip, our most vital asset is our customers. We strive to ensure that the needs of our customers are being met. Not only do we have a knowledgeable technical staff, we also offer warranty on all our products

## Wide Selection of Heater Assemblies

Our HQ generic heater series offers replacements for Therm Products, Balboa, Gecko and many more. We also produce the Universal Rite-Fit heater series that will replace 100's of different heater assemblies in the field.

## Replacement Parts

Many of the parts in this catalog are most likely familiar although you may not have had a good dependable source to purchase them from until now. Whether you are looking for electro-mechanical or solid state replacement parts, you will find many of top sellers in this catalog.

## Balboa® Retrofit Kits

Hydro-Quip is now offering Balboa Retrofit Kits which includes VS and BP Series Systems. With our extensive list of Balboa replacement parts it makes us a dependable source for Balboa replacement products.

## Retro-Fit Slide Controls

Hydro-Quip Continues to offer the broadest selection of retro-fit controls and equipment to fit all of your spa or hot tub needs. The "Slide" heater feature allows for a flexible fit heater to get your job completed in a quick and efficient manner.

## UL Listed Outdoor Equipment System

Our UL Listed Equipment Systems are available as 5.5 or 11KW electric and gas ready are now WiFi capable. This system is perfect for customers who are operating their spa independently, our 8000 series brings all the features necessary for a stand alone state of the art hot tub or spa installation.

## Integrated Ozone Generator

By integrating the Ozone Generator into our Spa products we now have the Ozonator interlocked to operate automatically when the power is on. An integrated Ozone generator also eliminates an "extra" component (or two) to be mounted under the spa.

## Global Connectivity

Hydro-Quip is now offering a new line of Wi-Fi Enabled Systems. This feature gives you the capability of running your spa or hot tub using a smartphone or tablet.

THE DISTRIBUTOR'S CHOICE IN THE LEISURE WATER INDUSTRY.
