

3M Pneumatic Finishing Tools

3M has engineered a better line of air-powered finishing tools designed to work hand-in-hand with the 3M Abrasives and Accessories you've always trusted. Includes the built-in features and performance you'd expect only from 3M:

- Improved handling and comfort over other brands.
- Precision balanced, designed for smooth operation
- Designed to the highest quality and performance standards
- Non vacuum or self generated vacuum options

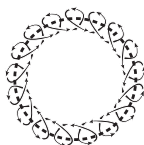

High quality, powerful tools in non vacuum or self generated vacuum options.
