P2 APPLICATION

Finishing caps for plumbing

APPLICATIONS

A new method of trimming the cutouts for standard 1/2" supply lines (see also P1 and P3 caps). Fastcap provides a simple, yet highly effective solution with our new 1/2" Supply Line Covers. Covering rough or misaligned cut outs with Fastcap's simple peel-and-stick application is quick and easy.

COLORS

Available in all of Fastcap's standard PVC and Real Wood options, the 1/2" Supply Line Covers can be color matched to the installation. Custom colors are also available.
