**APPLICATIONS**

A new method of trimming the cutouts for standard 1/2" supply lines (see also P1 and P2 caps) and 2" waste lines, Fastcap provides a simple, yet effective solution with our new 1/2" Supply Line Cover and 2" Waste Line Cover. Covering rough or misaligned cut outs with Fastcap's simple peel-and-stick application is quick and easy.

**COLORS**

Available in all of Fastcap's standard PVC and Real Wood options, the 1/2" Supply Line Cover and 2" Waste Line Cover can be color matched to the installation. Custom colors are also available.
