

PRODUCT DATA SHEET

Product Description: Folding shower seat with a stainless steel frame and phenolic plastic seat. Installs in the back left side of a shower enclosure. Frame is fabricated from 304 grade stainless steel with a US32D brushed stainless steel finish. ADA compliant and designed to support loads in excess of 250 lbs when properly installed. For your safety, we recommend a professional installer or licensed contractor to install the folding shower seat. Ships with mounting hardware.
