

PRODUCT INFORMATION

PART #: **ERSM**

SIZES AVAILABLE: Head 2.5" x 4" x 2.3", Straight wooden handle 10.2"

WEIGHT: 1.2 lb.

DESCRIPTION:

IMPACTO SOFT BLOW Mallet. NON-MARRING FOR WORK ON DELICATE SURFACES. SORBOTHANE HEAD ABSORBS AND DISSIPATES SHOCK AND IMPACT.

APPLICATION:

- Long-lasting, Soft-Blow mallet conforms to surface irregularities, providing maximum surface contact without denting and marring. Designed to replace conventional dead blow hammers and rubber mallets, the Sorbothane[®] Soft-Blow Mallet can be used in a variety of industrial and commercial applications
- Used extensively in the automotive assembly and repair industry along with the wood working trades. The mallet can be used on all types of surfaces and assemblies including hard and soft metals, glass, wood, or any repair requiring a dead blow hammer or rubber mallet.
- The Soft-Blow Mallet's no-dent and non-marring features also reduce secondary damage and repair time. Also, because impact is absorbed and dissipated within the Sorbothane material, hand jarring and harmful impact shock, associated with conventional dead blow hammers, is virtually eliminated
