## PRODUCT DESCRIPTION

The new Smart Goggle Max is an open-water style goggle made for triathletes and fitness swimmers. Designed to help swimmers improve and meet their fitness goals, the in-goggle display and activity tracker powered by CIYE™ gives real-time feedback to help you track your distance and time allowing you to get the most out of your swim. Once you're out of the water, the app provides an in-depth analysis of your workouts, logs your history, and allows you to connect with friends and fitness apps.
