Three interchangeable nose bridges provide for a customized fit

BLUE MIRROR (237)

SILVER MIRROR (241)

RED-YELLOW MIRROR (338)

## PRODUCT DESCRIPTION

Circuit 2 goggles are versatile fitness and competitive goggles designed with an arched, rotating nosepiece and silicone eye gaskets for maximum comfort. Designed to be worn during training and competition, the adjustable silicone strap distributes pressure evenly around the head. Mirrored, curved lenses offer ultimate peripheral vision and reduce distortion. Circuit 2 goggles come with three interchangeable nosepieces for a universal fit.
